Dear Ms. Udall:

This letter is to acknowledge that the Commission has received your amended Campaign Finance Report (Attached) in which you identify the vendors of goods and services provided to your campaign, and the amounts they charged, which were paid through Fifty Plus One. The amendments to the Report were made pursuant to the Commission's Order Requiring Compliance issued September 16, 2005.

I find that the amendments satisfy the requirements of A.R.S.16-948(C). Accordingly, I will recommend to the Commission that the proceedings in CCEC File MUR #04-0066 be terminated, that the Matter be closed, and that a Final Order to those effects be entered.

Sincerely,

L. Gene Lemon
External Investigative Consultant
